WMC1034 : Creativity: Seeing the Light

By Linda Atherton

- ❑ Linda is recognised for her work on creative science by Wellcome Trust and the DfES
- ❑ She has developed an inspirational approach to science that blends an understanding of different learning styles with scientific knowledge
- ❑ Linda’s multi sensory approach has been enhanced by the use of drama, art and ICT. She also interweaves subjects such as history and literacy into her work so as to develop an imaginative approach that challenges scientific thinking.

Dates/Venues	12 Oct 2006 Berrington Hall, Hereford, 9.15am - 4.00pm 17 Nov 2006 St Mary’s RC School, Hereford , 9.15am - 4.00pm
Subsidised cost for Maintained Schools	£145.00
Cost for Non Maintained Schools	£350.00

This course offers approaches to:

- ❑ Exploring creativity in science in exciting and inspiring ways.
- ❑ Blending learning approaches that use the medium of light as an example of how the pedagogy of art, drama and humanities could enrich science teaching and learning.
- ❑ Making science relevant and meaningful for all learning styles.
- ❑ Delivering the requirements of the National Curriculum whilst challenging pupils.

At the end of the session course participants will:

- ❑ Be able to make best use of pedagogy used in art, drama and humanities to address science issues.
- ❑ Know how to utilise strategies for different learning styles.
- ❑ Have knowledge and understanding of how ICT can be used in the teaching of science.
- ❑ Be empowered to embed citizenship into science.

Booked... How to apply for courses and booking form

Register Online

To register online, simply go to www.sciencelearningcentres.org.uk/westmidlands and select the links for 'Events' or 'Courses', dependant on the type of CPD you are registering for. Events and courses can be viewed in date or course order. Remember – if you haven't done so yet, you'll need to take a few minutes to register using the 'register' link.

Register by Email

You can register for your event or course by sending an email to enquiries@slcwm.keele.ac.uk
